Bus trip to theatre spectacle MARE in Almere!

>> *limited number of tickets available!*

Vis à Vis is a theatre company with an establishment in Almere, which is able to create a unique theatre spectacle. Light-hearted comedy, amazing spectacle and ingenious storylines. Enjoy a day out at the largest theatre spectacle of the Netherlands: MARE. A show full with special effects, visual comedy, live music and a look behind the scenes.

About MARE

A water basin filled with over 700,000 liters of water forms the backdrop for this unique open-air performance in Almere. Rising sea levels, caused by global warming, have flooded the entire earth. Cities are swallowed by the rising waters. The remains of civilization are a handful of people on small islands trying to survive in this apocalyptic world.
